

The Nazi Connection: Eugenics, American Racism, and German National Socialism

By Stefan K12hl

Oxford University Press, USA. Paperback. Book Condition: New. This item is printed on demand. Paperback. 192 pages. When Hitler published Mein Kampf in 1924, he held up a foreign law as a model for his program of racial purification: The U. S. Immigration Restriction Act of 1924, which prohibited the immigration of those with hereditary illnesses and entire ethnic groups. When the Nazis took power in 1933, they installed a program of eugenics--the attempted improvement of the population through forced sterilization and marriage controls--that consciously drew on the U. S. example. By then, many American states had long had compulsory sterilization laws for defectives, upheld by the Supreme Court in 1927. Small wonder that the Nazi laws led one eugenics activist in Virginia to complain, The Germans are beating us at our own game. In The Nazi Connection, Stefan Khl uncovers the ties between the American eugenics movement and the Nazi program of racial hygiene, showing that many American scientists actively supported Hitlers policies. After introducing us to the recently resurgent problem of scientific racism, Khl carefully recounts the history of the eugenics movement, both in the United States and internationally, demonstrating how widely the idea of sterilization as a...
