Brand New Book ***** Print on Demand *****.Bullying is a hot topic these days, and author Missy Wetzel s inventive children s book, Caleb and Willie, offers parents and teachers a fun, new way to talk about the issue with their kids. Far from typical, this is a story about six-year-old Caleb who is being bullied by none other than his grandparent s new rooster, Willie. Sounds a bit silly, right? But truth is always stranger than fiction, and this crazy story is based on events that actually happened in Wetzel s life. Young readers will laugh at Willie s ninja-rooster skills but sympathize with Caleb s frustrating predicament when he keeps getting blamed for Willie s destructive actions-and is forced to miss out on a fun fishing trip with Grandpa.and eat oatmeal for the second day in a row. A great read for the classroom, the story of Caleb and Willie helps students consider bullying in a new light by setting it in an unexpected context. Complete with discussion questions at the end, this book brings kids into a larger conversation about how to deal with bullying and what happens when you make a bad decision.
