Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Long distance running is much like any other fitness training. If you want to improve, you need a good plan that has a progressive nature. If you are new to this game, you need a solid foundation to build on. Having a running program is not the only thing that you need. Sound advice and running tips should be taken from someone who has walked the walk . Or in this case; Ran the run Hi, my name is James Atkinson from . I m a qualified fitness coach / personal trainer and I have a fair bit of running advice that I would like to share with you. When I was around 18 years old, I was a terrible runner! In fact, I failed the basic fitness test for army entrance on running alone, and I failed big time! Several years later, I was clearing 1.5 mile running circuits in 8 minutes and 22 seconds and could easily run a marathon any day of the week! I would like to share my knowledge and training experiences with you. If you are a beginner when it comes to running, this information will no doubt give you advice that will probably not have even crossed your mind before. If you are already a runner and are looking to make more progression, you are also in the right place. I know that it is easy to get stuck on a training plateau, so I have also added some information and training methods to this book that will help you leave the plateau behind. Some of the chapters include: Why should you take my advice? My story. Accountability,...
