Power and Policy in Syria: Intelligence Services, Foreign Relations and Democracy in the Modern Middle East

By Radwan Ziadeh

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Power and Policy in Syria: Intelligence Services, Foreign Relations and Democracy in the Modern Middle East, Radwan Ziadeh, As Bashar al-Assad rescinds emergency rule in the face of demonstrations and protests, Syria finds itself in a key position in a Middle East beset by regional tensions, the repercussions of the global 'war on terror' and popular uprisings. The bloodless coup by General Hafez al-Assad, in 1970, put in place a powerful autocratic machinery at the core of the state which continues till today under the control of his son Bashar. Here Radwan Ziadeh presents a fresh and penetrating analysis of Syria's political structure - a 'despotic' state monopoly, a bureaucratic climate marked by fear, and the administrative structure through which centralized control is exercised. With a focus on Syria's intelligence services which have significant influence in legal and policy decisions, and the conditions and patterns of foreign policy decision-making, particularly vis-a-vis the US, 'Power and Policy in Syria' is essential reading for all those interested in Syria, the modern Middle East, International Relations and Security Studies.

Reviews

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Augustine Pfannerstill

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

-- Prof. Llewellyn Thiel
