What if Henry Annesley actually built the machine that allowed him to see into the Sixth Dimension -- and allowed creatures from The Other Side to come here? Facing Draconian prison sentences, their Cthulhian Church banned by the federal drug warriors for employing holy sacraments that actually work, Windsor and Worthington Annesley turn to a desperate search for their great-uncle's resonator, hoping it may be the game-changer they need. From the author of "The Testament of James" comes another adventure in the case files of Matthew Hunter and Chantal Stevens, complete with rampaging tyrannosaurs, naked jungle girls, man-eating spiders, and some seriously heavy drugs
