Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Second Epistle General of Peter: And the General Epistle of Jude The General Editor does not hold himself responsible, except in the most general sense, for the statements, opinions, and interpretations contained in the several volumes of this Series. He believes that the value of the Introduction and the Commentary in each case is largely dependent on the Editor being free as to his treatment of the questions which arise, provided that that treatment is in harmony with the character and scope of the Series. He has therefore contented himself with offering criticisms, urging the consideration of alternative interpretations, and the like; and as a rule he has left the adoption of these suggestions to the discretion of the Editor. The Greek Text adopted in this Series is that of Dr Westcott and Dr Hort with the omission of the marginal readings. For permission to use this Text the thanks of the Syndics of the Cambridge University Press and of the General Editor are due to Messrs Macmillan Co.
