Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Workbook. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Learning how to draw can be easy when you are shown correctly right from the start. So why not learn from the master teacher who is credited to have inspired Walt Disney to start drawing and pursue his animating career. Author and illustrator Edwin George Lutz is the man, and he is famous for his method of breaking down complex illustrations into simple step-by-step stages that anyone can follow. Many fine artists and illustrators over the decades have used his technique, and this classic book will teach you how as well. This current course you are reading has been derived from Lutzs century old book "What To Draw And How To Draw It" first published in 1913. We have made it into a workbook format, with blank practice pages to do the drawing exercises. Of course you can use your own drawing paper if you dont want to draw in the book, and this will also prevent or minimize imprints of the pencil tip on other exercise pages. And for further drawing convenience the publisher grants permission to photocopy pages for personal use. Ideal gift for children. Learn from this timeless classic that has inspired so many children and adults alike tocreate their own beautiful works of art. Simple to follow, yet for budding artists of all ages leads to enviable drawing skills. Step-by-step technique takes a blank page to a finished drawing using principles seen insophisticated artwork and animations today. Fast progression in skill level with this method that uses gradual, simplified stages tobuild a finished piece of artwork.In this remarkable course you will learn to draw a fantastic range of subjects and...
