A STUDY OF PRIMARY SCHOOL MATHEMATICS EDUCATION

A Study of Primary School
Mathematics Education
International Standards: NAEP, TIMSS and Math
Education Around the World

LAP LAMBERT Academic Publishing. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 8.7in. x 5.9in. x 0.2in. The National Assessment of Educational Progress (NAEP) and the Trends in International Mathematics and Science Studies (TIMSS) are two prevalent standardized tests, and we compare the results in 4th grade mathematics between the U. S and other countries. The NAEP mathematics assessment is the only federally authorized and continuing nationwide assessment of student mathematics achievement. It serves as a source of information to measure...

Reviews

Extremely helpful to all class of individuals. It really is written in straightforward terms instead of difficult to understand. I am just happy to explain how this is the finest publication I have got read inside my own lifestyle and might be the very best ebook for possibly.

-- **Dr. Meta Smith**

Complete manual! It's such a great study. It really is written in straightforward phrases rather than hard to understand. You are going to like the way the article writer created this publication.

-- **Ike Fadel**

This publication is worth getting. This is certainly for those who state that there was not a well worth studying. It's been written in an exceptionally simple way in fact it is only after I finished reading through this ebook in which in fact transformed me, modify the way I believe.
