

Option Writing Strategies for Extraordinary Returns (Hardback)

By David G. Funk

McGraw-Hill Education - Europe, United States, 2005. Hardback. Book Condition: New. 228 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.This book features straightforward stock market strategies that offer exceptional returns and cash flow while substantially reducing market risk. With only minimal extra effort each month, you can do better - a lot better - than buy-and-hold. To earn solid returns while effectively managing risk, millions of investors in whipsaw financial markets have learned that basic option writing strategies can make a dramatic improvement in their investment returns. Option Writing Strategies for Extraordinary Returns details put and call writing techniques that investors from conservative to aggressive are using to both generate and protect portfolio profits in bull, bear, and non-trending markets. Whether your goal is to create better-than-average long-term growth or generate better-than-average current income, this timely book provides step-by-step directions you can follow to create a stock option strategy that allows you to: combine the purchase of blue chip stock with the writing of puts and calls on that stock; increase your long position in the future, if the put is exercised, at a fixed price that is guaranteed to be lower than the...
