Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

If I had to choose a text I should probably refer to I John v. 10, He that believeth on the Son of God hath the witness in himself, or else to that word of Christ, The kingdom of God is within you. It is of this inner kingdom or inner witness that I wish to speak; for here - for all of us - is the heart of religion: here is that secret which God whispers to the soul and fills it with exceeding joy. And now for a few minutes the world is shut out. The busy and strident noises of battlefield and market-place are far away. In the quiet of the House of God we can find peace.
