Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).

HMH Books for Young Readers. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 6.8in. x 5.0in. x 1.0in. Scattered among poor, desolate farms, the clans of the Uplands possess gifts. Wondrous gifts: the ability--with a glance, a gesture, a word--to summon animals, bring forth fire, move the land. Fearsome gifts: They can twist a limb, chain a mind, inflict a wasting illness. The Uplanders live in constant fear that one family might unleash its gift against another. Two young people, friends since childhood, decide not to use their gifts. One, a girl, refuses to bring animals to their death in the hunt. The other, a boy, wears a blindfold lest his eyes and his anger kill. In this beautifully crafted story, Ursula K. Le Guin writes of the proud cruelty of power, of how hard it is to grow up, and of how much harder still it is to find, in the worlds darkness, gifts of light. Includes a readers guide and a sample chapter from the companion title Voices. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
