By Michaela Glockler, Wolfgang Goebel, Catherine Creeger

Florin Books. Paperback. Book Condition: new. BRAND NEW, A Guide to Child Health: A Holistic Approach to Raising Healthy Children (4th Revised edition), Michaela Glockler, Wolfgang Goebel, Catherine Creeger, This acclaimed guide to children's physical, psychological and spiritual development is now available in a fourth revised edition. Combining up-to-date medical advice with issues of development and education, this is a definitive guide for parents. If you've ever wanted a deeper understanding of your child's illnesses, or to take a more holistic approach to your child's health, this is the book for you. As well as comprehensively covering medical issues, it's also about parenting techniques, education, spirituality and play -- a truly integrated approach to all aspects of raising healthy children in the broadest sense. The authors based their theory and practice on over 20 years' experience in the children's out-patient department of the Herdecke Hospital in Germany, which is run along anthroposophical principles. The first section covers childhood ailments and home nursing. The second part looks at the healthy development of children and how to create the best conditions for them. The authors go on to examine issues of development and education, and their consequences for later life. Throughout, the...
