

## Leaving the Sea: Stories (Vintage Contemporaries)

Filesize: 6.2 MB

### **Reviews**

*This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## LEAVING THE SEA: STORIES (VINTAGE CONTEMPORARIES)

Vintage, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!  
Summary: Praise for Ben Marcus's *Leaving the Sea* "Exhilarating, a treatment of both the world and the self as hostile strangers, where a man can become "an allergy to himself," and where language is both powerful and poisonous . . . But here the struggle to express oneself is also at times hilarious . . . A wonder and a cautionary tale all in one . . . Marcus presents a deeper range of identification for the reader, more emotional complexity, but still plenty of the chair-gripping alienation that marked his previous books . . . Thoroughly and perversely entertaining." -- New York Times Book Review "Utterly compelling. What's not said, or left out, implies infinite possibilities after almost every sentence: thus creating a constant state of anxiety in the text at all times . . . As the book progresses Marcus tears up the rulebook completely. And it works beautifully . . . If you enjoy writers like Samuel Beckett, Wallace Stevens and John Ashberry, who refuse to put language in a neat little box where conventional rules apply, then I'm sure you will love this collection . . . Outstanding." --NPR "The protagonists in Marcus's new collection of disturbing and excruciatingly funny short stories are socially inappropriate, alienated from their lovers and relatives, anxious, bitter, mortified, lonely . . . The collection's later stories are more experimental in style and subject matter, but they, too, address themes of isolation and existential inquietude . . . Wrenching." -- The New Yorker "Brilliant, astute . . . Filled with Marcus's lovely, rhythmic sentences and wise insights about family, self, and masculinity . . . Stakes out Marcus's best territory: the beautifully and intimately rendered claustrophobic..."
