Createspace, United States, 2014. Paperback. Book Condition: New. 274 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a step by step how-to book for folding stunning single sheet origami. You will be amazed that these designs are made out of something as ordinary as a single sheet of paper, employing no cuts or glue. Author Meenakshi Mukerji is the winner of Origami USA s 2005 Florence Temko Award and after four highly acclaimed books on modular origami, she has launched her first book on single sheet origami. The designs presented in this richly illustrated book are proven favorites, the instructions sought after by avid folders worldwide. Expect hours of enjoyment folding several dozen models and variations. Most of them lie flat, so mount them on cards or frame them for gifts. Though a grayscale version of the original book, most finished models are shown in color on the cover. For ages 12 and up. A preview may be found in // Meenakshi Mukerji is one of today s masters of modular origami, geometric designs comprised of multiple folded pieces of paper assembled without glue. In her newest book, she brings her ingenuity and creativity to designs made from a single piece of paper. Among the most appealing aspects of this book is the way she subtly manipulates a purely geometric design to form a flower (including a beautiful 12-petaled Hollyhock), a leaf, a butterfly, or familiar symbols such as the four suits from a deck of cards. Although many of her designs are complex and three-dimensional, requiring an abundance of both patience and dexterity to fold, she provides crystal-clear diagrams with lucid text and doesn t stint on providing perspective drawings (which are challenging and time-consuming to produce) when needed. In addition to...
