

## The Art of Controversy - The Essays of Arthur Schopenhauer

By Arthur Schopenhauer

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 86 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. The volume now before the reader is a tardy addition to a series in which I have endeavoured to present Schopenhauer's minor writings in an adequate form. Its contents are drawn entirely from his posthumous papers. A selection of them was given to the world some three or four years after his death by his friend and literary executor, Julius Frauenst dt, who for this and other offices of piety, has received less recognition than he deserves. The papers then published have recently been issued afresh, with considerable additions and corrections, by Dr. Eduard Grisebach, who is also entitled to gratitude for the care with which he has followed the text of the manuscripts, now in the Royal Library at Berlin, and for having drawn attention although in terms that are unnecessarily severe to a number of faults and failings on the part of the previous editor. This item ships from La Vergne, TN. Paperback.
