

A Word Finally Spoken: Life Is Preparation for the Final Performance (Paperback)

By Martann

WestBow Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Life has its way of dictating to us a direction that may not be best. The dictation comes from expected participation in society and our experiences. The best life direction has to include God s divine plan for our certainty of peace and happiness. Most do not see or realize God s plan until a series of mistakes open doors to true reality. Two such individuals experienced this life-changing direction at an unexpected time during the winter years of their lives. The prose within tells of this direction and their findings. Although not searching or seeking, life s circumstances directed each of them on a path always desired, yet never attained until each stopped trying themselves, and allowed God s true direction to lead. This poetry will inspire the reader for years to come. Its reality of finding real love in the winter years of life is truly refreshing. -Mattie Hughes, Teacher.
