Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Letter-Press Printer: A Complete Guide to the Art of Painting: Containing Practical Instructions for Learners at Case, Press, and Machine; Embracing the Whole Practice of Book-Work, With Diagram and Complete Schemes of Impositions; Job Work, With Examples; News-Work, Colour Work, to Make Coloured Inks, to Work Press The first edition of The Letter-Press Printer having been rapidly disposed of, and a new edition much inquired for, I have pleasure in introducing to the trade a Second Edition. Of the first, Second and Third editions over 9,000 copies were printed, and sold, a quantity that has far exceeded my most sanguine expectations. This great success I attribute to the flattering notices of the trade journals, and to their warm recommendations of the work. I have done my utmost to improve the present edition in all the departments on which it proposes to afford instruction, and, I hope my endeavours have been sufficiently successful to merit the continued approval of the trade. The colour Printing section has been carefully read, corrected, and added to by a gentlemen of great experience, who is at present managing one of the principal colour printing establishments in London. He pointed out some errors in that section of my First Edition, and kindly volunteered his gratuitous services to make Color Printing more useful, reliable, and valuable in this edition. I tender him my warmest thanks. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
