She usually went out of her way to avoid anything outside her normal routine. At sixteen, she certainly had no desire to be a hero. That all changed when she met Christopher. She suddenly found herself in that very role as she tried to help a friend. She discovers the true strength of her spirit and willpower, while facing the greatest evil in the magic world . . . All I can see is a little girl prancing around where she does not belong. What ever magic is protecting you, it will not stop this. She pointed the wand at Erica again. This time a blue light flared from its end. The light pushed Erica backwards. This time, as it did, everything grew dark. She hit with a hard thud. As she looked around, she realized she was in a dungeon prison cell. There was a small amount of light coming from torches on the walls outside of her cell. As she stood, she realized her back was hurt and it was quite painful. What a fine mess she had gotten herself into.
