FLIRTING TIPS FOR GUYS: HOW TO CHARM, CONQUER AND SEDUCE THE WOMAN OF YOUR DREAMS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The art of flirting is all about letting a person you fancy know that you are interested in her, without saying it openly. When done right, it is a choreographed dance where each person lets the other one know just how interested he is in getting to know the other, under the safety of it all being a game. If one person is interested but the other one is not, nobody is hurt because there never was a real proposition; it was all just a game. Flirting is a playground where a man and a woman can express their desire to pursue the acquaintance in hopes that it develops into a relationship or back down and leave things as they are. Flirting is a ritual based on communication, above all. But communication can take many forms, and flirting is, believe it or not, mostly a non-verbal form of communication. Most men get nervous when it comes to talking to a woman they have just met, they don't know what to say to her. But the funny thing is, you could spend a whole night flirting with a woman without ever having to say a word to her. Ninety percent of human communication is body language and the same applies for flirting. The most vital means with which to flirt are your eyes, and they are the ones that will always tell you whether a flirt is serious or just a game. So if you want to learn more how to seduce and charm any women then let Flirting Tips for Guys: How to Charm, Conquer and Seduce the Woman of Your Dreams teach you about: Secrets on...
