It has suffered greatly from wars and political revolutions. X. Ecuador is a second-rank republic. SUPPLEMENTARY NOTES. History. --The mainland of South America was discovered by Columbus on his third voyage, in 1498. The part of the coast at which he landed was near the mouth of the Orinoco River. The brilliant success of Cortez in the conquest of Mexico incited other Spanish adventurers to similar enterprises, through which gold and glory might be gained. Among these was Pizarro, who accomplished the conquest of Peru, then inhabited by people who had attained a considerable degree of civilization. Brazil, occupied by the Portuguese in 1549, fell successively under the dominion of Spain and Holland, but was finally recovered by Portugal in 1564. In the mean while, nearly the whole of the northern and western parts of South America had been overrun by the Spaniards....
