Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As identity theft continues to spiral out of control, the American public must first learn that nearly all identity crimes today comes from inside sources. The problem with identity theft today is that while it continues to escalate, we have not had any organized crime heads from the inside help show how it really works. Identity theft is the only crime America has seen that you can't infiltrate; because of the way it is structured until now. For nearly 20 years, Ronald Hemphill recruited employees from the largest corporations in this country. Until companies are held liable for the information they handle, identity theft will continue to grow. Learn how criminals buy profiles and other information from bank and credit-reporting agency employees, and employees from any other industry you can imagine, and what is done after that information is gathered, then you will understand why we see so many security breaches that will continue to spiral upward. You will be amazed when you take this fantastic journey on the inside mind of one of the most...
