Simpson believed that the greatest need of every human heart is to know the resources and sufficiency of God. The scriptural illustrations of God s intervention in multiplied and sometimes miraculous ways are for our encouragement today. God s dealings with Elijah and Elisha reveal that He is the God who removes obstacles and intervenes in emergencies. God s dealings with Paul show that He displays His power in startling and sometimes painful ways. God s dealings with Jacob acknowledge that He patiently works with those who have a bent toward Him no matter what kind of persons they are. God s dealings with Esther unfold the fact that God brings together circumstances and individuals to accomplish His will. God s dealings with Job affirm that although man s resources are inadequate in times of crisis, God provides and restores. God wants to be involved with His people. Has a purpose and plan for each believer--including you!.
