Rosie Schaap has always loved bars: the wood and brass and jukeboxes, the knowing bartenders, and especially the sometimes surprising but always comforting company of regulars. Starting with her misspent youth in the bar car of a regional railroad, where at age fifteen she told commuters fortunes in exchange for beer, and continuing today as she slings cocktails at a neighborhood joint in Brooklyn, Schaap has learned her way around both sides of a bar and come to realize how powerful the fellowship among bar patrons can be. In *Drinking with Men*, Schaap shares her unending quest for the perfect local haunt that takes her from a dive outside L.A. to a Dublin pub full of poets, and from small-town New England taverns to a character-filled bar in Tribeca. Drinking alongside artists and expats, ironworkers and soccer fanatics, she finds that these places offer a safe haven, a respite, and a place to feel most like herself. In rich, colorful prose, Schaap brings to life these seedy, warm, and wonderful rooms. *Drinking with Men* is a love letter to the bars, pubs, and taverns that have been Schaap's refuge, and a celebration of the uniquely civilizing source of community that is bar culture at its best.
