

Why Does God Allow It?

Filesize: 2.08 MB

Reviews

This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who statte there was not a really worth studying. You are going to like the way the blogger publish this publication.
(Mrs. Adah Sawayn)

WHY DOES GOD ALLOW IT?

Master Books, U.S.A., 1980. Soft cover. Book Condition: New. 1st Edition. 12mo - over 6¾ - 7¾" tall. Arthur Ernest Wilder-Smith (1915-1995) was an organic-chemist, humanitarian, lecturer and an author on young earth creationism. He also wrote books such as *Is This a God of Love?*, *Man's Origin*, *Man's Destiny: A Critical Survey of the Principles of Evolution and Christianity*, *The Creation of Life: A Cybernetic Approach to Evolution*, *He Who Thinks Has to Believe*, and *The Natural Sciences Know Nothing of Evolution*. He wrote in the first chapter of this 1980 book, "This man's ideas reflect the questions many people are asking today. If God is God. Why then does He not bring all this chaos to a halt. and the deception, injustice, misery, and disease in the world? If He loves us, as the Bible affirms, why does He not end all misery and produce order? He would no longer be God if He were not almighty, and if He is not that, why should we bother about Him? It is the concurrent existence of evil and good that has produced many atheists like the professor we previously quoted.
